A New Years Eve message from Chief Pablo Balboa III

As 2021 comes to a close, I would like to thank the citizens of Encinal for the support our police department receives throughout the year. Our community remains a safe place to live and raise a family because we all work together. I look forward to all that we can achieve together in 2022.

Please enjoy your festivities while ringing in the New Year, but please be safe and don't drink and drive for others safety as well as your own.
Happy New Year!

The City of Encinal has received an outpouring of complaints regarding loose and stray dogs roaming and attacking the citizens of our community. The Public Works department will be conducting dog round-up's during the month of September and any additional months if needed. Per ordinance No. 2012-10-09A and other similar ordinances you are required to keep your dog tied up or contained within your yard. Dogs are required to have collars and vaccinations, if not contained within the yard they are required it be on a leash. This ordinance is in place to protect the citizens of Encinal. The dogs that are picked up will be transported to the Veterinarian in Laredo. Public Works Staff will be picking up from 8am-12 noon, if your dog is picked up you will have until 2:30pm to call and pick up your dog. If a dog with collar is picked up, we will make every effort to locate the owner which includes posting the picture of the dogs.
